Take a step . . .

Step 1

- Find your household income at the left chart below.
- Move across on the same line to find the amount you currently give weekly in your Offering Envelope.
- Move straight up the chart to find what percentage of your income your current gift to the parish represents.

Step 2

- Please consider pledging at the next level (to the right).
- For example, if you are Presently giving 2% to the Parish, consider pledging 2.5% or even 3% now.

Step 3

- Consider setting your eventual goal at 10% (5% to the parish and 5% to other charities).
- It may take a few years to get There, but this is a worthy and Rewarding goal for all on the road to discipleship.
